

Bosmere Community Primary School

Thursday 13th January 2022
Minutes

Attendees: Louisa Way, 3x parents

No.	Details
1.	Welcome ◇ Welcome / Introductions
2.	Parent Partnership ◇ Restrictions set to remain; brainstorm ways we can effectively hear parent voice
3.	Rights Respecting Schools ◇ UNICEF project / accreditation <i>Deferred to next meeting</i>
4.	Open Discussion * could teachers be outside in mornings to talk to parents; perhaps rotate due to staffing restrictions eg twice a week which would allow HLTAs to cover classes. Action - LW to discuss at Senior Leadership Team meeting and feedback through parent forum email *class emails - can parents use these to message teachers directly instead of coming through the admin system? If so could this be something that parent body are reminded about. Action - LW to discuss at Senior Leadership Team meeting and feedback through parent forum email *Arbor - it was felt that this is not a user friendly system for parent / school communication. Parents are not receiving alerts to say they have a message. Mrs Atkins confirmed that this is a setting that users need to enable (push notifications?). Action - Office to investigate and let parent body know via email. *could parents opinion on Arbor as a home / school communication tool be canvassed through a survey? Action - LW to discuss at Senior Leadership Team meeting and feedback through parent forum email *1st Wednesday - could this sometimes be held on different days to accommodate parents who can't make Wednesdays? Action - LW to discuss at Senior Leadership Team meeting and feedback through parent forum email Other points of discussion: *Queen's Jubilee; what are plans? would it be possible to hold something in the summer for parents to attend with children (restrictions allowing) - Action - PFA to discuss at forthcoming meeting *Class photos in local press: issue with whole class photos being included when one or two parents have not given media permission - it was felt that this excludes rest of class and is there a way around this? Action - LW to discuss at Senior Leadership Team meeting and feedback through parent forum email
