

Present- CA, EH SH, RC, EG, JM

Apologies- KA, HI, SL, JS, RB

AGM minutes of meeting

Treasurer's Annual Report-

RC discussed the accounts and explained what has been raised and spent in the last year (**see report on school website**). RC gave a summary of the balances. We discussed what to focus on raising money for this school year and it was agreed that the drive would be towards raising money for ICT - specifically new tablets for the school (one tablet is approximately £200). Having looked at the figures it maybe possible to spend some money straight away on approx 15 tablets for KS1. Can we purchase these on a website linked to easyfundraising? That way we make money for the school again! **EG/CA to check?**

The infrastructure is also needed in school for the Wi-Fi.

Discussed spends on school trips and experiences within each KS budget. Due to changes in the KS years the PFA would like to spend the money per child (£10) rather than per KS year group.

RC is going to chase when the money will come in from supermarket pledges. Can a message go out to parents to ask for anyone with any accountancy experience, could they please audit the PFA accounts for us. **NB to action please**

Chair persons annual report

CA report can be found on the school website.

Headteachers annual report

EG report can be found on the school website

Election of officers

Chairperson- CA proposed by SH, seconded by JM

Vice Chairperson- SH proposed by CA, seconded by EH
